

PYRAMID STATE PARK – DENMARK AREA – BLUE WING LAKE

2018 FISHERIES FACT SHEET

LOCATION: Pyramid State Park is located south of Pinckneyville in Perry County. Blue Wing Lake is a strip cut lake located on the Denmark Section of Pyramid State Park. From State Route 127 head west on Pyatt-Cutler Road. About 7 miles west of Pyramid State Park turn south into the Denmark Section.

DESCRIPTION: Facilities at this 35 acre lake include a concrete boat ramp, dock and bathrooms.

STATUS OF THE SPORT FISHERY – The following is a brief summary of the major sport fish species based on annual fish population surveys conducted by the Illinois Department of Natural Resources. As a result of high water conductivity, electrofishing is not an effective sampling tool at this lake. All information is based on spring trap netting surveys. From November 1 through the end of February fishing is allowed in designated areas only, and fishing hours are from ½ hour before sunrise to 2 PM.

Largemouth Bass (LMB) – An electrofishing survey is the best way to analyze the LMB population in a lake. Because electrofishing is not an option at this lake very little is known about the LMB population at this lake. No LMB were collected in the 2017 spring trap netting survey.

Crappie – Blue Wing Lake has an excellent crappie population consisting of both black and white crappie. Of the 81 crappie collected in the 2017 spring trap netting survey, 32% were over 9 inches, and 17% were over 10 inches in length.

Bluegill Sunfish – The bluegill population is poor. No bluegill over 8 inches have ever been collected from this lake. In 2017 the largest bluegill collected was 7 inches.

Redear Sunfish – No redear sunfish have been collected from this lake during trap netting surveys.

Channel Catfish – The channel catfish population is average. Three channel catfish (18-21 inches) were collected during the 2017 spring trap netting survey. Channel catfish have been collected in 3 of the last 5 surveys.

Striped Bass Hybrids – Striped bass hybrids (SBH) were stocked in this lake in 2015 and 2016. No SBH were stocked in 2017. Two SBH (15-18 inches) were collected in the 2017 survey.

Fishing regulations:

Species	Creel Limit	Minimum Length Limit
Largemouth Bass	5 under 14” and 1 over 18”	14-18 inch protected slot (no possession)
Bluegill or Redear Sunfish	25	None
Crappie	25	None
Channel Catfish	6	None
Hybrid Striped Bass	No limit under 17”, 3 over 17”	None
All Fish	2 Pole and Line Fishing Only	

RECREATIONAL USE RESTRICTIONS – From November 1 through the end of February fishing is allowed in designated areas only, and fishing hours are from ½ hour before sunrise to 2 PM. There are no HP boat motor restrictions at this lake but the entire lake is a “NO WAKE ZONE” and all sizes of boat motors must operate at no-wake speed.

MAPS/CONTACTS – A map of the 23 lakes located on the Arch Portion of Pyramid State Park can be obtained via email by sending a request to Shawn.Hirst@illinois.gov. IDNR Fish Biologist – Shawn Hirst 618-687-4546. Pyramid State Park 618-357-2574.
